

THE ASCENSION STAR™ PENDANT

The Inspiration

The Ascension Star™ is a natural evolution of the Angelic Star™, bringing in the energy of the Divine and grounding it into our earthly experience. As our daily experiences are touched and guided by this Divine energy we raise our vibration to move into harmony. This unique tool is fashioned to assist us along our path of conscious evolution - "ascension".

The Ascension Star™

This unique cut shows the cross as a star. As Christ taught us, we too have the ability to ascend. Ascension today is not about leaving the body, it is about bringing Heaven into Earth, into our lives and our bodies. In order to ascend, we must first have "fertile ground for it to grow in". This is what this cut is about. It helps to lay a solid foundation for the "Heart of the Christos" to thrive and grow.

to wear this cut is to assist in the dawning of a new age where we live in and from the heart. It is best worn at the heart or over the Thymus.

The Ascension Star™ is available in:

Amethyst, Ametrine, Angel Aura, Aqua Aura, Citrine, Clear Quartz, Rose Quartz, Ruby Lavender Quartz™, Rutilated Quartz, Siberian Blue Quartz, Siberian Gold Quartz, Siberian Green Quartz, Siberian Pruple Quartz, Smokey Quartz and Tanzine Aura.

Your choice of Sterling Silver or 14K Gold mountings (18" chain included).

Clearing & Programming Your Ascension Star™ (THE VOGEL TECHNIQUE)

CLEARING YOUR CRYSTAL: Take a moment and bring into your being the essence of purity - both the thought and the feeling of purity. Once the connection with this essence is strong, fill your lungs with it. Hold your breath and let the essence build. Place your attention upon the crystal. Use your intention to place the essence of purity into the crystal as you release a FORCED EXHALE through the nose. This forced exhale allows the essence to move as a whole thought form into the crystal. If you see a residue, shadow or unpleasant energy still remaining, repeat the procedure until your crystal is clear.

PROGRAMMING YOUR CRYSTAL: After clearing your crystal it is now ready to program. We recommend using a simple program such as PEACE, WELL-BEING & LOVE. Focus on bringing the essence of peace into your being. Allow this essence to fill you and build in your lungs. Now bring in the essence of Well-Being (yourself in perfect health, connected with the Earth and the Divine). Again, fill yourself and allow this essence to build in your lungs - mingling with the essence of Peace. Now bring in the essence of Pure Love. Fill yourself with this essence. Place your attention on the crystal and use a FORCED EXHALE through the nose to intend those essences (your program) into your crystal.
