## Clearing & Programming Your Earth Heart Crystal™ (THE VOGEL TECHNIQUE)

**CLEARING YOUR CRYSTAL:** Take a moment and bring into your being the essence of purity - both the thought and the feeling of purity. Once the connection with this essence is strong, fill your lungs with it. Hold your breath and let the essence build. Place your attention upon the crystal. Use your intention to place the essence of purity into the crystal as you release a FORCED EXHALE through the nose. This forced exhale allows the essence to move as a whole thought form into the crystal. If you see a residue, shadow or unpleasant energy still remaining, repeat the procedure until your crystal is clear.

**PROGRAMMING YOUR CRYSTAL:** After clearing your crystal it is now ready to program. We recommend using a simple program such as PEACE, WELL-BEING & LOVE. Focus on bringing the essence of peace into your being. Allow this essence to fill you and build in your lungs. Now bring in the essence of Well-Being (yourself in perfect health, connected with the Earth and the Divine). Again, fill yourself and allow this essence to build in your lungs - mingling with the essence of Peace. Now bring in the essence of Pure Love. Fill yourself with this essence. Place your attention on the crystal and use a FORCED EXHALE through the nose to intend those essences (your program) into your crystal.
